

# Who Will the Next Fool Be

Jerry Lee Lewis

Woman, when you get rid of me

Who will the next fool be?

I know, I know, I know, I know

There's things I gotta know 'bout the woman I love

And after all is said and done

Girl, you wouldn't be satisfied with anyone

So when you get rid of me

Who will the next fool be?

Will he believe all those lies?

End up like me, with tears in his eyes?

I know, I know, I know, I know

There's things I gotta know 'bout the woman I love so

After all is said and done

Hey, girl, you wouldn't be satisfied with anyone

So when you get through playin? with me

Who will the next stud be?

Take it, James!

Play the fiddle, Mr Lovelace!

Will he believe all those lies?

End up like me, with tears in his eyes?

I know, I know, I know, I know

There's things I gotta know 'bout the woman I love so

You know, after all is said and done

Girl, you wouldn't be satisfied with anyone

When you get rid of me

Who will the next stud be?

Play your little licker, Mr Piano Man!
