I saw her standin' on the corner A yellow ribbon in her hair I couldn't stop myself from shoutin Look a-there! Look a-there! Look a-there! Look a-there!

Young blood, young blood I can't get you out of my mind

I took one look and I was fractured I tried to walk but I was lame I tried to talk but I just stuttered What's your name? What's your name? What's your name?

Young blood, young blood I can't get you out of my mind

What crazy stuff! She looked so tough
I had to follow her all the way home
Then things went bad, I met her dad
He said, you'd better leave my daughter alone

I couldn't sleep a wink for tryin' I saw the rising of the sun And all night my heart was cryin' You're the one, you're the one You're the one, you're the one!

Young blood, young blood I can't get you out of my mind
