Get it cookin' fellas now put it bout here
Go mmm mmm mmm mmm mmm mmm yeah

Blue moon ha ha ha ha ha
Well I said blue moon of Kentucky a keep on shining
Shine right along right along now
Well shine on the one that's gone and left me blue

Lord I said blue moon of Kentucky a keep on shining
Shine right along right along now
Shine on the one that's gone and left me blue

Well now it was on one moonlight night
Lord the sun it was a shining bright
Which it whispered from on high
Lord your love has said goodbye
