

Maybe In Time

Jerry Reed

Maybe in time I'll be over you
And maybe in time I'll find someone new
Who will take your place and set me free
From the past and your memory
But by a time baby by a time
Honey I done lost my mind

Your sweet love and your kisses have left a taste
Time hasn't erased for me yet
And baby there's not a day goes by and I don't have my cry
Though I hoplessly try to forget

But maybe in time these memories won't last
And maybe in time these heartaches will pass
Maybe time will take this hurt away
And this love from my heart someday
But by a time baby by a time
Honey I done lost my mind

Your sweet love and your kisses...
But maybe in time I'll get over you
