

Someday You'll Call My Name

Jerry Reed

Someday you'll call my name and I won't answer
Someday you'll call my name and I won't be there
For you've grown tired of all the love I gave you
But someday you're gonna wish that I still care

All through these years oh how I've loved you
Still I know I claimed you for my own
Someday you'll call my name and I won't answer
For someday you'll find yourself alone

Someday you'll call my name and I won't answer
For someday you'll find yourself alone
