

St. James Infirmary

Jerry Reed

I went down to the St James Infirmary
I heard my baby moan
I felt so broken hearted
That woman used to be my own

So let her go let her go God bless her
Wherever she may be
She might search this whole wide world over
She ain't never gonna find a simple man like me

Now I went down to old Joe's barroom
It stands down on the square
They was drinkin' cold hard liquor
And all the regular crowd was there

So let her go let her go God bless her...

Down at the St James Infirmary St James Infirmary
St James Infirmary I heard my baby groan
Down at the St James James Infirmary
