## **Its Magic**

You sigh, the song begins, you speak and I hear violins It's magic The stars desert the skies and rush to nestle in your eyes It's magic

Without a golden wand or mystic charms Fantastic things begin when I am in your arms

When we walk hand-in-hand, the world becomes a wonderland It's magic How else can I explain those rainbows when there isn't rain? It's magic

Why do I tell me myself these things that happen are all really true When in my heart I know the magic is my love for you?
