

In Ohm

Jes

this is here, this is now
this is all, we can fathom
all that makes you feel it right
so grab a hold, get on top
cause this is all, you can have it
if you just listen to the soul
you become

I'm crying out
to every corner of the Earth
why cant we live as one, In Ohm
In Ohm

this is it, this is now
this is all we can do it
all to make us feel some peace
so grab a hold, get on top
cause this is all we can handle
what ever keeps you alive

cause I'm crying out
to every corner or the Earth
why can't we live as one... In Ohm
In Ohm
Alive

whatever keeps you alive...

In Ohm, to every corner of the Earth In Ohm
why can't we live as one, In Ohm
In Ohm
cause I'm crying out...
