

Want My Love

Jes

If you want my love, I'll give you all my love
I'll make it feel so good for you
but if you can't stand the pain, and you just need to get away
and clear your mind

cause I am like you say, I'm a million times a day
I will bolt in like a storm
I'm the wish that keeps you going on
I'm addicted to your edge, climbed a mountain like you said
I'm gonna get into your head

if you want my love, I'll give you all my love
I'll make it feel so good for you
and if you can't stand the pain, and you just need to get away
and clear your mind

I am like you too, that's a million times true
when you throw me like a stone
you're the one that keeps me moving on
I'm addicted to your edge, climbed the mountain like you said
just to get into your bed

Chorus:

so wake me, I've fallen so far
so wake me from out of this mood
so wake me

cause I am like you say, I'm a million times a day
I will bolt in like a storm
you're the one that keeps me going on
now you're calm, now you're warm, now you look and now you find
that now you got too much, you know you got too much
