

# Deeper Devastation

Jesca Hoop

I don't trust anyone  
Not you  
And the closer you come  
Deeper devastation

I'm a baby bird  
I'm a hungry bird  
And I feed from your gut  
And the wind blows  
And the tree shakes  
And your beak stabs my throat

Under the power of  
Our one and only sun

There's a kink in the pattern  
Do you do the right thing  
There's a hole in the fabric  
Do you do the right thing  
You cannot trust a human being to do the right thing  
Do the right

Under the power of  
Our one and only sun

And there once was a time  
With you  
But it turned on a dime  
And tales call the decision

I'm a lover wild  
I'm a loyal child  
And I've burned your eyes on mine  
When the bones collide  
And the rocks catch fire  
And your greed swallows me whole

Under the power of  
Our one and only sun

There's a kink in the pattern  
Do you do the right thing  
There's a hole in the fabric  
Do you do the right thing  
You cannot trust a human being to do the right thing  
Do the right

Under the power of  
Our one and only  
Under the power of  
Our one and only  
Under the power of  
Our one and only sun

I'm a bleeding heart  
I'm a hiding heart  
And I can bleed and hide and still love

When the truth's blown wide  
And my faith's capsized  
I drift in loss and sorrow

Under the power of  
Our one and only  
Under the power of  
Our one and only  
Under the power of  
Our one and only sun

There's a kink in the pattern  
Do you do the right thing  
There's a hole in the fabric  
Do you do the right thing  
And it is all in the planning  
Do you do the right thing  
You cannot trust a human being to do the right thing  
Do the right

Under the power of  
Our one and only  
Under the power of  
Our one and only  
Under the power of  
Our one and only  
Under the power of  
Our one and only
