

# Rather Be

Jess Glynne

We're a thousand miles from comfort,  
We have travelled land and sea  
But as long as you are with me,  
There's no place I'd rather be  
I would wait forever, exalted in the scene,  
As long as we're together, my heart continues

With every step you take, Kyoto to The Bay  
Strolling so casually  
We're different and the same, gave you another name  
Switch up the batteries

If you gave me a chance I could take it  
It's a shot in the dark but I'll make it  
Know with all of your heart, you can't tame me  
When I am with you, there's no place I rather be

No, no, no, no, no, no, no!

We set out on a mission, to find our inner peace  
Make it everlasting so nothing's incomplete  
It's easy being with you, sacred simplicity  
As long as we're together,  
My heart continues to beat

With every step you take, Kyoto to The Bay  
Strolling so casually  
We're different and the same,  
Gave you another name  
Switch up the batteries

If you gave me a chance I could take it  
It's a shot in the dark but I'll make it  
Know with all of your heart,  
You can't tame me  
When I am with you, there's no place I'd rather be

No, no, no, no, no, no, no  
When I am with you, there's no place I'd rather be

Yeah, yeah, yeah, yeah, yeah, yeah, yeah

If you gave me a chance I could take it  
It's a shot in the dark but I'll make it  
Know with all of your heart, you can't tame me  
When I am with you, there's no place I'd rather be

No, no, no, no, no, no, no  
When I am with you, there's no place I'd rather be

No, no, no, no, no, no, no  
When I am with you, there's no place I'd rather be
