## **Take Me Home**

Jess Glynne

Wrapped up, so consumed by All this hurt If you ask me, don't Know where to start

Anger, love, confusion Rolls the gold nowhere I know that somewhere better Cause you always take me there

Came to you with a broken faith Gave me more than a hand to hold Caught before I hit the ground Tell me I'm safe, you've got me now

Would you take the wheel If I lose control? If I'm lying here Will you take me home?

Could you take care Of a broken soul? Will you hold me now? Oh, will you take me home? Oh, will you take me home? Oh, will you take me home? Oh, will you take me home?

Hold the gun to my head Count 1, 2, 3 If it helps me walk away then it's What I need

Every minute gets easier The more you talk to me You rationalize my darkest thoughts Yeah you, set them free

Came to you with a broken faith Gave me more than a hand to hold Caught before I hit the ground Tell me I'm safe, you've got me now

Would you take the wheel If I lose control? If I'm lying here Will you take me home?

Could you take care Of a broken soul? Oh, will you hold me now? Oh, will you take me home? You say space will make it better And time will make it heal I won't be lost forever And soon I wouldn't feel Like I'm haunted, oh falling

You say space will make it better And time will make it heal I won't be lost forever And soon I wouldn't feel Like I'm haunted, oh falling

You say space will make it better And time will make it heal I won't be lost forever And soon I wouldn't feel Like I'm haunted, oh falling

Would you take the wheel If I lose control? If I'm lying here Will you take me home?

Could you take care Of a broken soul? Oh, will you hold me now? Oh, will you take me home? Home Oh, will you take me home? Oh, will you take me home?
