

# You Can Find Me

Jess Glynne

Thinking about those nursery rhyming days  
When it was all just fun and games  
Never had a care in the world  
When it all began to change  
Go back to the Merry-go-round  
Laughing and acting like clowns  
Stay in this moment 'til  
We see the sun go down

I treasure your heart of gold  
I'll be your shadow when you feel alone  
Cause nothing changes when I'm on the road  
To find your happy gotta lose control

If the time between us gets a little uneven  
Don't you worry cause you will find me here  
Never broke a promise, Never been dishonest  
Don't you worry cause you will find me here  
You can find me, find me  
You can find me, find me  
You can find me, find me  
You can find me, find me

Hey, yeah  
Hey, yeah  
Hey, yeah  
Hey, yeah

Feeling like I've been misunderstood  
Like I heard she's gone to Hollywood  
Couldn't be more wrong if you tried  
Think you should take a hard look  
It's not hard if you try  
Try to see, through my eyes

I treasure your heart of gold  
I'll be your shadow when you feel alone  
Cause nothing changes when I'm on the road  
To find your happy gotta lose control

If the time between us gets a little uneven  
Don't you worry cause you will find me here  
Never broke a promise, Never been dishonest  
Don't you worry cause you will find me here  
You can find me, find me  
You can find me, find me  
You can find me, find me  
You can find me, find me

If the time between us gets a little uneven  
Don't you worry cause you will find me here  
Never broke a promise, Never been dishonest  
Don't you worry cause you will find me here  
You can find me, find me  
You can find me, find me  
You can find me, find me  
You can find me, find me
