

# Catch Me If You Can

Jess Moskaluke

You think that I'm still here  
You see me  
You feel me  
But I'm Gone

It's come time to lose this fear  
And get out  
Break down  
These four walls

I feel the freedom inside  
I can see the life that should be mine  
No more asking why

I don't need anymore broken heart  
I'm tired of waiting for life to start  
i just need a place to land  
I wanna find myself again  
Ready set I'm pushing through the door  
Runnin faster than I ever have before  
So take this as my final stand

Come on catch me if you can

Catch me if you can (Verse chords)  
Catch me

I got my head up high  
I taste it  
I breathe it  
I'm alive

Straight-line to an open sky  
It's so clear  
Now I'm getting this right  
I feel the freedom inside

I just need a place to land  
I wanna find myself again

Running faster than i ever have before  
So take this as my final stand

I'm gone  
I'm gone like the wind like the end won't go back again  
I'm gone  
So catch me if you can

Chorus:  
Catch me if you can  
Catch me if you can  
Catch me if you can  
Catch me
