

Cheap Wine And Cigarettes

Jess Moskaluke

You call me up
When you get lonely
You make me feel
Like I'm the only one you love
And when I just cant get enough
Hey hey like

Cheap wine and cigarettes
That kind of taste that you don't forget
You take me high and leave me a mess
Just like cheap wine and cigarettes
Hey yeah
Hey yeah

You're like a curse
You know I want you
Crazy wake up feeling worst
Yeah but then the night comes around
Baby I just cant put you down
I can't put you down like

Cheap wine and cigarettes
That kind of taste that you don't forget
You take me high and leave me a mess
Just like cheap wine and cigarettes
You're no good for me baby
But I still give into you anyway
Hey hey like Cheap wine and cigarettes

That kind of taste that you don't forget
You take me high and leave me a mess
Just like cheap wine and cigarettes
Hey hey

Cheap wine and cigarettes
That kind of taste that you don't forget
You take me high and leave me a mess
Just like cheap wine and cigarettes
Hey yeah Hey yeah Hey yeah Hey yeah
