

Goodie Bag

Jesse McCartney

Lookin' round the room
Same people, different place
'Bout to make a move
But then I see your face
Shining like a jewel
So rare, so fine
The kind of beautiful from another time

Girl, you got it
Like that
And I want it
So bad
So, baby, let me peek inside
Show me what I won tonight

You know I like them finer things
Goodie, goodie, you're like a goodie bag
Sweeter than the best champagne
Goodie, goodie, you're like a goodie bag
Baby, I'm so glad I came
Goodie, goodie, you're like a goodie bag
Can't wait to take you home with me
Goodie, goodie, you're like a goodie bag

Can't believe my luck
I never had it like this
I can't get enough
You're the sweetest gift

Girl, you got it
Like that
And I want it
So bad
So, baby, let me peek inside
Show me what I won tonight

You know I like them finer things
Goodie, goodie, you're like a goodie bag
Sweeter than the best champagne
Goodie, goodie, you're like a goodie bag
Baby, I'm so glad I came
Goodie, goodie, you're like a goodie bag
Can't wait to take you home with me
Goodie, goodie, you're like a goodie bag

Come closer, let me hold you
You know what I want to do
Unwrap you all over and over
Wanna take my time with you
So, baby, come closer, let me hold you
You know what I want to do
Unwrap you all over and over
Wanna take my time with you

Girl, you got it
Like that
And I want it

So bad
So, baby, let me peek inside
Show me what I won tonight

You know I like them finer things
Goodie, goodie, you're like a goodie bag
Sweeter than the best champagne
Goodie, goodie, you're like a goodie bag
Baby, I'm so glad I came
Goodie, goodie, you're like a goodie bag
Can't wait to take you home with me (can't wait to take you home with me, oh
)
Goodie, goodie, you're like a goodie bag

You know I like them finer things
Goodie, goodie, you're like a goodie bag
Sweeter than the best champagne (I know)
Goodie, goodie, you're like a goodie bag
Baby, I'm so glad I came
Goodie, goodie, you're like a goodie bag
Can't wait to take you home with me
Goodie, goodie, you're like a goodie bag
