I shouldn't love you but I want to
I just can't turn away
I shouldn't see you but I can't move
I can't look away
I shouldn't love you but I want to
I just can't turn away
I shouldn't see you but I can't move
I can't look away

And I don't know
How to be fine when I'm not
'Cause I don't know
How to make a feeling stop

Just so you know
This feeling's takin' control
Of me and I can't help it
I won't sit around
I can't let him win now

Thought you should know
I've tried my best to let go
Of you but I don't want to
I just gotta say it all before I go
Just so you know

It's gettin' hard to be around you There's so much I can't say Do you want me to hide the feelings And look the other away

And I don't know
How to be fine when I'm not
'Cause I don't know
How to make a feeling stop

Just so you know
This feeling's takin' control
Of me and I can't help it
I won't sit around
I can't let him win now

Thought you should know
I've tried my best to let go
Of you but I don't want to
I just gotta say it all before I go
Just so you know

This emptiness is killin' me And I'm wonderin' why I've waited so long Lookin' back I realize it was always there Just never spoken

I'm waitin' here Been waitin' here Just so you know
This feeling's takin' control
Of me and I can't help it
I won't sit around
I can't let him win now

Thought you should know
I've tried my best to let go
Of you but I don't want to
Just gotta say it all before I go
Just so you know, just so you know

Thought you should know
I've tried my best to let go
Of you but I don't want to
Just gotta say it all before I go
Just so you know, just so you know
