

# Right Where You Want Me

Jesse McCartney

There's somethin' 'bout me that you oughta know  
I've never felt the need to lose control  
Always held on back and played it slow  
But not this time  
Baby, don't be gentle  
I can handle anything

Baby, take me on a journey  
I've been thinkin lately  
I could use  
A little time alone with you  
Crazy, let's do something maybe  
Please don't take your time  
You've got me right where you want me  
Woo hoo hoo Only after  
Right where you want me

I'm gonna let you have your way with me  
When you move like that it's hard to breathe  
I never thought that it could be like this  
But I was wrong  
Baby, don't be gentle,  
I can handle anything

Can't explain it  
How you swept me off my feet  
Unexpectedly  
In slow motion  
My imagination's runnin' tryin' to keep my body still  
Oh, I can hardly stand the thrill  
Yeah  
Well, Baby don't be gentle  
I can handle anything

You've got me (whoa whoa)  
You've got me  
Right where you want me
