

# She's No You

Jesse McCartney

They got a lotta girls  
Who know they got it going on  
But nothing's ever a comparison to you  
Now can't you see that your the only one I really want  
And everything I need  
Is everything you do?

Any girl walk by, don't matter  
'Cause your looking so much better  
Don't ever need to get  
Caught up in jealousy  
She could be a super-model  
Every magazine... the cover  
She'll never, ever mean a thing to me...

She's no you... oh, no  
You give me more than I could ever want  
She's no you... oh, no  
I'm satisfied with the one I've got  
'cause your all the girl  
That I've ever dreamed  
She's only a picture on a magazine  
She's no you... she's no you

They got a lot of girls  
Who dance in all the videos  
But I prefer the way you do,  
The way you move  
You're more than beautiful  
And I just wanna let you know  
That all I ever need  
Is what I've got with you

Any girl walk by, don't matter  
Every time your looking better  
I think your perfect  
There ain't nothing I would change  
She could be a super-model  
Every magazine... the cover  
She'll never, ever take my heart away

No one's ever gonna get to me  
Oh, the way you do  
Now baby can't you see  
That you're the one... the only one  
Who's ever made me feel this way?

Nothings ever coming even close  
No one's ever been comparable to you

I don't want nothing I don't got  
I don't need nothing but you  
I can't get more than you give me  
Don't stop anything you do.  
Your all that... all that, and then some  
You know what... just what I need  
And no girl, no place and no where

Could mean a thing to me.

She's no you... oh, no  
You give me more than I could ever want  
She's no you... oh, no  
I'm satisfied with the one I've got  
'cause your all the girl  
That I've ever dreamed  
She's only a picture on a magazine  
She's no you... she's no you
