

# Tell Her

Jesse McCartney

I know how it feels  
To wake up without her  
Lying here all alone  
Just thinking about her

I can't believe  
Her hold on me  
It's something indescribable  
I know she knows  
But won't you please

If you see my girl  
Just tell her I miss her smile  
Tell her I'm counting the minutes  
Gonna see her in a little while  
I know when she  
Holds on to me  
She's the one thing that I could never live without  
Oh, oh, oh, oh  
And tell her I love her

Oh yeah, just tell her I love her  
The way that she moves  
You know what it does to me  
And when I catch her eye  
I can hardly breathe

Still can't believe  
Her hold on me  
She's just so indescribable  
I know she knows  
But won't you please, please

If you see my girl  
Just tell her I miss her smile  
Tell her I'm counting the minutes  
Gonna see her in a little while  
I know when she  
Holds on to me  
She's the one thing that I could never live without  
Oh, oh, oh, oh  
And tell her I love her

Every time that I'm around her  
I just go to pieces crashing tumbling to the ground  
I'm so glad I found her  
I know how it feels

If you see my girl  
Just tell her I miss her smile  
Tell her I'm counting the minutes  
Gonna see her in a little while  
I know when she  
Holds on to me  
She's the one thing that I could never live without  
Oh, oh, oh, oh  
And tell her I love her

Oh yeah, just tell her I love her
