

## Are You Missin' My Love?

Jesse Powell

Are you missin' my love  
Are you missin' my lovin'  
Are you missin' my love  
Are you missin' my lovin'

You are the only one I've ever loved  
And I let my defenses down, down  
Then you just up and took  
Then you just up and took your love away  
Now suddenly your back around

Are You

Are you missin' my love  
Are you missin' my lovin'  
Are you missin' my love  
Are you missin' my lovin'

You knew that I would wait here for your love  
I was nothing more then just your stand by  
You never thought I could  
I never thought I would get over you  
But you were wrong  
And so was I

Now ain't it a shame baby  
You never even gave our love a try  
(damn baby)  
Your the one to blame baby  
So wipe your eyes  
The tears you cry  
Save them for another guy

Are you missin' my love  
Are you missin' my lovin'  
Are you missin' my love  
Are you missin' my lovin'
