I'm Not Lisa

Jessi Colter

I'm not Lisa, my name is Julie Lisa left you years ago My eyes are not blue But mine won't leave you 'Til the sunlight has touched your face

She was your morning light Her smile told of no night Your love for her grew With each rising sun

And then one winter day His hand led hers away

She left you here drowning in your tears, here Where you've stayed for years Crying Lisa, Lisa

I'm not Lisa, my name is Julie
Lisa left you years ago
My eyes are not blue
But mine won't leave you
'Til the sunlight shines through your face
