

Make Me Love You

Jessica Andrews

There's moonlight on the trees
Paintin' silver on the leaves
It's so beautiful out here
I just had to stop and stare
That's unusual for me
I had a happy heart of stone
No voice to answer but my own
Now I want more from the night
Since you waltzed into my life
You couldn't leave well enough alone

Why, out of all the people in this world
Why did you set your sights
And single out this girl
Oh, why did you have to go
And make me love you
Why'd you have to go and make me
Why'd you have to go and make me love you

In an instant, sweet and strange
Everything about me changed
Whether I want to or not
I come to you with all I've got
And I'll never be the same

Why, out of all the people in this world
Why did you set your sights
And single out this girl
Oh, why did you have to go
And make me love you
Why'd you have to go and make me
Why'd you have to go and make me love you
Tell me why
Why'd you have to go and make me
Why'd you have to go and make me love you

Maybe this is just a dream
Or maybe this was meant to be
I just pinch myself and wonder why

Why, out of all the people in this world
Why did you set your sights
And single out this girl
Oh, why did you have to go
And make me love you
Why'd you have to go and make me
Why'd you have to go and make me love you
Tell me why
Why'd you have to go and make me
Why'd you have to go and make me love you
