

# Make Me Love You

Jessica Andrews

There's moonlight on the trees  
Paintin' silver on the leaves  
It's so beautiful out here  
I just had to stop and stare  
That's unusual for me  
I had a happy heart of stone  
No voice to answer but my own  
Now I want more from the night  
Since you waltzed into my life  
You couldn't leave well enough alone

Why, out of all the people in this world  
Why did you set your sights  
And single out this girl  
Oh, why did you have to go  
And make me love you  
Why'd you have to go and make me  
Why'd you have to go and make me love you

In an instant, sweet and strange  
Everything about me changed  
Whether I want to or not  
I come to you with all I've got  
And I'll never be the same

Why, out of all the people in this world  
Why did you set your sights  
And single out this girl  
Oh, why did you have to go  
And make me love you  
Why'd you have to go and make me  
Why'd you have to go and make me love you  
Tell me why  
Why'd you have to go and make me  
Why'd you have to go and make me love you

Maybe this is just a dream  
Or maybe this was meant to be  
I just pinch myself and wonder why

Why, out of all the people in this world  
Why did you set your sights  
And single out this girl  
Oh, why did you have to go  
And make me love you  
Why'd you have to go and make me  
Why'd you have to go and make me love you  
Tell me why  
Why'd you have to go and make me  
Why'd you have to go and make me love you
