Summer Girl

Jessica Andrews

I drive an Army Jeep My bumper sticker reads Drink 'til he's cute That's what I'm gonna do Ain't got no serious thing Don't wear a diamond ring I got a new tattoo I think you'll like the view And in my mind The sun shines All the time

'Cause I'm just a summer girl I wear my flip flops When I let my hair down That's when the party starts Who needs a boyfriend I got my girl friends When we get together The summer never ends Yeah yeah, oh oh oh

Tanks tops and cutoff jeans Bikinis and belly rings We'll make that scene When the DJ plays Dancin' Queen Fellas, lay your money down We'll let'ya buy a round Don't push your luck Don't get more than your hopes up In my world Day or night Rain or shine

'Cause I'm just a summer girl I wear my flip flops When I let my hair down That's when the party starts The party never stops Who needs a boyfriend I got my girl friends When we get together The summer never ends

Everybody needs a little bit of sunshine Everybody needs time to unwind Everybody's got to have a good time I'm just a summer girl Everybody get up on your feet Everybody got to shake your body Everybody got a right to be free I'm just a summer girl Oh, oh, oh, oh

I'm just a summer girl I wear my flip flops When I let my hair down The party never stops Who needs a boyfriend I got my girl friends When we get together The summer never ends Yeah yeah, oh oh oh I'm just a summer girl Oh, oh, oh, oh
