Unbreakable Heart

Jessica Andrews

An empty room, a broken fairy tale A hollow girl with empty arms

From an angel's tears God made the stars Why can't He make me an unbreakable heart

In my blue world, you shone like heaven's fire And left me cryin' in the dark How could anyone be so hard Did you think I had an unbreakable heart

I suppose I should know Sometimes love just comes and goes But I believed, foolishly We'd go on and on One day, someone will come to you And rock you tightly in her arms Please remember this, when you drop your guard Nobody has an unbreakable heart

From an angel's wings to a fallen star God makes everything but unbreakable hearts
