

More To This Than You

Jessica Harp

Maybe I got it all mixed up
Or maybe it's just my luck
But you never know what you want from me

And I've been sitting here all damn day
Just drinking my blues away
And I still don't know what to say to make you see
That I can't do this for long,
So we now move on, baby believe

That I'm good with changing
It's time to turn the page and
Finally give in to what I always knew
That I'm done living
With all that you're not giving
Cause baby I know the truth
Oh, there's a whole lot more to this life than you

Maybe you're thinking I'll be around
Every night when that sun goes down
And that you know just what to say to keep me here
But I've heard it all before
And I don't wanna hear it anymore

Cause I'm good with changing
It's time to turn the page and
Finally give in to what I always knew
That I'm done living
With all that you're not giving
Cause baby I know the truth
Oh, there's a whole lot more to this life than you

Soon you'll see
What you've done to me
Has only let me know
I'll be better on my own

And I'm done living
With all that you're not giving
Cause baby I know the truth
Oh, there's a whole lot more
There's a whole lot more
There's a whole lot more to this life than you
