

Go Back

Jessica Lowndes

Go to sleep
Give my mind a break for thinking
What could have been
When I'm awake it just goes
Round and round and round

I gotta shake this off somehow

If I could take out the memories
The good times with you
If I could dwell on the aching the letdowns the truth
I wouldn't wanna go back
I wouldn't wanna go back

It starts again
I thought it would be different
It's still the same
I try to run but I go
Round and round and round

I get back up, you knock me down

If I could take out the memories
The good times with you
If I could dwell on the aching the letdowns the truth
I wouldn't wanna go back
I wouldn't wanna go back

I wouldn't wanna go back to the highs, the butterflies
Wouldn't wanna feel that again
I wouldn't wanna go back to the can't sleep
Can't eat, can't think

I know it's never gonna end until I take out the memories
The good times with you
If I could dwell on the aching, the letdowns the truth
I wouldn't wanna go back
I wouldn't wanna go back
I wouldn't wanna go back

Just wanna go back
