

# Never Lonely

Jessica Lowndes

Trying hard to fix it, he tried hard to change  
don't you know we're all the same  
to you he was the one for her, and her the one for him  
don't you know, no one's to blame  
but running 'round in circles  
you seem to love this game  
never satisfied with anything  
half alive when we're alone  
yet we're always with someone  
what is it we're looking for?

I'll never be lonely,  
I'll never be lonely,  
I'll never be on my own.  
I'll never be lonely,  
I'll never be lonely,  
I'll never be on my own.

The camera calls between them  
fade as time goes by  
all because they've said goodbye  
she's feeling further now  
than she did back then  
she keeps a picture deep within  
she knows we're all connected  
she knows that we're all one  
like a compass 'neath the sun  
we go on our separate ways  
and yet she feels him near her  
she said 'I'll love you 'til the end'

I'll never be lonely,  
I'll never be lonely,  
I'll never be on my own.  
I'll never be lonely,  
I'll never be lonely,  
I'll never be on my own.

You'll always be apart of me  
and I apart of you, I know.  
You'll always be apart of me  
and I apart of you, I know.  
You'll always be apart of me  
and I apart of you, I know.  
You'll always be apart of me  
and I so close to you, I know.

I'll never be lonely,  
I'll never be lonely,  
I'll never be on my own.  
I'll never be lonely,  
I'll never be lonely,  
I'll never be on my own.
