

Snake Charmer

Jessica Lowndes

You flash a smile,
You think I'll fall?
You push me back against the wall?
The time has come to pay or play?
But I slip away
Do you want to touch me now?
* Like that, like this *
Do you hunger for my kiss?
* My neck, my mouth *
I've been down and all around?
* you know you do *
It's a game you're gonna lose?
'cause, baby, when you
Look straight into my eyes?
I've got you with a
Spell, you're hynotized?
Don't try to run away
Or tell me your lies?
So, baby, give in
'cause I'm a snake charmer?
Try to pretend
You're chill, so cool?
Inow k type, I'm not a fool?
You only want what you can't get?
No, no, not yet
Do you want to touch me now?
