

Stamp Of Love

Jessica Lowndes

I've got nothing to do, but I won't make it cause I'm too busy
thinking of you,
I can't fake it, I'm a mess when you leave me, I confess it's k
inda freaky,
Wanna keep you in my pocket, not just hanging in my locket

I've got a new addiction, it takes my full attention,
Can't stand another second away from you!
I want a tattoo with a picture of you,
So I can kiss you whenever I miss you,
I want a tattoo, an ink version of you,
I'm gonna put it in a place where you can watch me when I'm thi
nking of you...
I want a tattoo!

Tattoo want you to stick to me, like glue to prove my love for
you
Tattoo want you to stick to me, like glue to prove my love for
you

Look what you're doing to me, I'm like a junky, it's not who I
wanna be, psycho monkey
And it's not getting better till I find a way to never spend an
other day away from you

I want a tattoo with a picture of you,
So I can kiss you whenever I miss you,
I want a tattoo, an ink version of you,
I'm gonna put it in a place where you can watch me when I'm thi
nking of you...
I want a tattoo!

And maybe baby you should get one too
So I can always keep an eye on you
Stamp of love for everyone to see
Then I swear I'll stop checking your Blackberry

I want a tattoo, just me and you

I'm gonna get a tattoo with a picture of you,
So I can kiss you whenever I miss you,
I want a tattoo, an ink version of you,
I'm gonna put it in a place where you can watch me when I'm thi
nking of you...
I want a tattoo! I want a tattoo!
Of you! I need you, I need you!

I want a tattoo, an ink version of you,

I'm gonna put it in a place where you can watch me when I'm thinking of you...

I want a tattoo!

Tattoo want you to stick to me like glue to prove my love for you

Tattoo want you to stick to me like glue to prove my love for you
