

Fallin'

Jessica Mauboy

Something about the way you drive me up the wall
And there's something about the way it leaves me wanting more

All my-y-y-y l-i-i-i-
fe, I've been that girl who has to play it safe
So I-I-I-I
I try-y-y-y, to find the reasons I should walk away
Cause I don't want to want you like I do

But I can't help fallin' for you
Yeah, I can't help fallin' for you
Yeah, yeah

Never thought I would be the one to say
That I was kinda thinking that maybe you could stay

All my-y-y-y l-i-i-i-
fe, I've been that girl who has to play it safe
So I-I-I-I
I try-y-y-y, to find the reasons I should walk away
Cause I don't want to want you like I do, yeah

But I can't help fallin' for you
Yeah, I can't help fallin' for you, yeah
Fallin' for you
I can't help fallin' for you
Fallin' for you
I can't help fallin' for you

All my-y-y-y l-i-i-i-
fe, I've been that girl who has to play it safe
So I-I-I-I
I try-y-y-y, to find the reasons I should walk away
Cause I don't want to want you like I do, hey

But I can't help fallin' for you
Yeah I can't help fallin' for you
I can't help fallin' for you
Fallin' for you
I can't help it
Fallin' for you
I can't, can't, I can't help fallin' for you
