

# Fight For You

Jessica Mauboy

Everywhere I turn  
There's bombs going off  
Just total chaos all around me  
Smoke all in the air  
There's casualties in love  
Broken hearts laying everywhere  
But they don't scare me at all  
I got my armor on  
Damn right, I'm ready for battle  
I know it's dangerous  
Right now I'm strong enough  
I'm pushing through to you  
Baby, I'm on my way

And I'll fight for you  
I'll do what I gotta do  
Yeah, I'll fight for you  
I'll fight for you  
I'd risk my life dying  
On the front line for you  
I'll fight for you  
For your love  
I'd fight for your heart  
Go to war to be next to you  
And no, I won't stop  
'Til you're mine  
Boy, I'll fight for you  
I'll fight for you  
I'll fight for you

Okay, I'm going in  
Better take cover  
Better yet, find another  
Cause this ones for me  
It's about to be some warfare  
I don't care cause the way  
I feel about him I'll go there  
But they don't scare me at all  
I got my armor on  
Damn right, I'm ready for battle  
I know it's dangerous  
Right now I'm strong enough  
I'm pushing through to you  
Baby, I'm on my way

And I'll fight for you  
I'll do what I gotta do  
Yeah, I'll fight for you  
I'll fight for you  
I'd risk my life dying  
On the front line for you  
I'll fight for you  
For your love  
I'd fight for your heart  
Go to war to be next to you  
And no, I won't stop  
'Til you're mine

Boy, I'll fight for you  
I'll fight for you  
I'll fight for you

Go ahead and mark this date in history  
Cause it's the battle of the century  
There's never gonna be another soldier for love  
That will fight for you like me

I'll fight in the South  
I'll fight in the North  
I'm gonna fight for you  
Like I never fought before  
I'll fight in the West  
I'll fight in the East  
Baby, you my man  
Anywhere I wanna be

I'll fight in the South  
I'll fight in the North  
I'm gonna fight for you  
Like I never fought before  
I'll fight in the West  
I'll fight in the East  
Baby, you my man  
Anywhere I wanna be

And I'll fight for you  
I'll do what I gotta do  
Yeah, I'll fight for you  
I'll fight for you  
I'd risk my life dying  
On the front line for you  
I'll fight for you  
For your love  
I'd fight for your heart  
Go to war to be next to you  
And no, I won't stop  
'Til you're mine  
Boy, I'll fight for you  
I'll fight for you  
I'll fight for you  
I'll fight for you
