

# Heartbreak Party

Jessica Mauboy

He's a one way ticket  
Hate to tell you you'll be traveling alone  
There's only one thing missing  
And that's a heart that never was yours

Don't try to stop just keep on moving gotta go  
No need to tell me how you feel  
I got some things to do that don't include you  
Don't believe me I'm for real

Cuz I won't waste all of my time  
Hoping you gon get me right  
And I got one thing on my mind  
And you need to know it isn't you  
So you can go, that's ok  
I had a party I'll keep the boys up late  
We gonna party trust me I'm ok  
I'll have a heartbreak party  
I won't be missing you

It's like you just ain't in it  
So what's the point in me giving my all  
I really feel like livin'  
Not sitting 'round waiting for you to call

Don't try to stop just keep on moving gotta go  
No need to tell me how you feel  
I got some things to do that don't include you  
Don't believe me I'm for real

Cuz I won't waste all of my time  
Hoping you gon get it right  
And I got one thing on my mind  
And you need to know it isn't you  
So you can go that's ok  
I had a party I'll keep the boys up late  
We gonna party trust me I'm ok  
I'll have a heartbreak party  
I won't be missing you

But we ain't gon leave together  
I would rather be a party of one  
Then be unhappy with two forever

Oh you can go  
That's ok I'll have a party  
Keep the boys up late  
We gonna party, trust me I'm ok  
I'll have a heartbreak party

I won't waste all of my time  
Hoping you gon get it right  
I have one thing on my mind, and you need to know it isn't you  
So you can go  
That's ok, we're gonna have a party I'll keep the boys up late  
We gonna party, trust me I'm ok  
I'll have a heartbreak party

I won't be missing you
