

Now I Know

Jessica Mauboy

But now I know, but now I know but now I know,
That you mean nothing to me.
Just let it go, just let it go, just let it go, and don't come
running to me.
Cause your the one who always had someone waiting on the side.
And you were always acting like you had something to hide.
But now I know, but now I know but now I know, heyyyyy.

Thought I heard somebody say they saw you the other day I'm thi
nking that's kinda funny cause you said your at the game.
Didn't wanna bother you but asking you questions cause asking q
uestions means that pleasing you of things you said you never d
o.
I never lied to you, that's what you'd always say, and all the
loving I gave you, bring it bring it bring it back.

And all the things I do for you, and then you turn around and t
ell me you don't wanna talk about it, (I don't wanna talk about
it)

But now I know, but now I know, but now I know that you mean no
thing to me.
Just let it go, just let it go, just let it go, and don't come
running to me.
Cause your the one who always had someone waiting on the side a
nd were always acting like you had something to hide, but now I
know, but now I know, but now I know.

Now I'm feeling like a fool cause I was depending you when ever

what I was thinking making you my everything, and everything y
ou made me believe was nothing but unture, but now I see right
through you, don't no what I mean to you I'd like to see how yo
u'd be if I wasn't with you.
All the things I do for you and then you turn around and tell m
e you don't wanna talk about it (I don't wanna talk about it)

But now I know, but now I know, but now I know that you mean no
thing to me.
Just let it go, just let it go, just let it go, and don't come
running to me.
Cause your the one who always had someone waiting on the side a
nd were always acting like you had something to hide, but now I
know, but now I know, but now I know.

But now I know, but now I know, but now I know that you mean no
thing to me.
Just let it go, just let it go, just let it go, and don't come

running to me.

Cause your the one who had someone waiting on the side and were
always acting like you had something to hide, but now I know,
but now I know, but now I know.

Cause your the one who had someone waiting on the side and were
