

Runnin'

Jessica Mauboy

I'm running, I I'm running running (2x)
I've got a feeling that I
Am going to say goodbye
Cause I can't get hold of you
And everything you do
You play me like a fool
And I'm losing faith in you

What happen to
The boy I knew
I'm calling, I'm calling calling
I just can't get the message through
So I'm running, I'm running running

Don't really wanna to think about
Don't really wanna talk about it
I'm running out of time for you
Don't really wanna to think about
Don't wanna talk about it
I'm running out of time for you
Running out of time for...

I'm losing my control
I want to let you know
That this just ain't good enough
Why should I give a damn
When I've did all I can
To make you feel!

What happen to
The man I knew
I'm calling, I'm calling calling
I just can't get the message through
So I'm running, I'm running running

Don't really wanna to think about
Don't really wanna talk about it
I'm running out of time for you
Don't really wanna to think about
Don't wanna talk about it
I'm running out of time for you
Running out of time for...

For yo- For yo-
I'm running out of time for you...
For you... For you...
I'm out of time for you!

Don't really wanna to think about
Don't really wanna talk about it
I'm running out of time for you
Don't really wanna to think about
Don't wanna talk about it
I'm running out of time for you
Running out of time for...

For you (2x)
