

# That Girl

Jessica Mauboy

You might be thinkin', thinkin'  
Maybe, maybe I'm just like that girl  
Oooh  
And just because I'm with you doesn't mean that  
I should be that girl  
Ohhh  
Ohh oh oh oh oh oh yeah

I don't think you really know  
What it is you want from me  
Baby all you ever do is try and control something make-believe  
So you buy me things you think I like  
But nothing ever fits me right  
Do you confuse me with somebody cause  
I'm just not that type

She must've hurt you so bad  
Can't seem to let her go  
Cause even though you could be holding me  
I know you would rather be with her  
That girl must be amazing  
Stops you from moving on  
No matter how many times I try and try to tell you  
How this makes me feel

You might be thinkin', thinkin'  
Maybe, maybe I'm just like that girl  
Oooh  
And just because I'm with you doesn't mean that  
I should be that girl  
Ohhh  
Ohh oh oh oh oh oh oh  
Ohh oh oh oh oh oh yeah

I gotta tell you make me crazy, crazy  
The way that you try to change me how

You expect me talking, acting doing things that ain't me  
When you decide you're ready to love me just for who I am then maybe  
Maybe I can think about it (think about it)

She must've hurt you so bad  
Can't seem to let her go  
Cause even though you could be holding me  
I know you would rather be with her  
That girl must be amazing  
Stops you from moving on  
No matter how many times I try and try to tell you  
How this makes me feel

You might be thinkin', thinkin'  
Maybe, maybe I'm just like that girl  
Oooh  
And just because I'm with you doesn't mean that  
I should be that girl  
Ohhh  
Ohh oh oh oh oh oh yeah

You might be thinkin', thinkin' maybe, maybe I should be that girl oh  
And just because I'm with you... I should be that girl

You might be thinkin', thinkin'

Maybe' maybe I'm just like that girl

Ooh

And just because I'm with you doesn't mean that

I should be that girl

Oohhh

Ohh oh oh oh oh oh yeah
