Time After Time

Jessica Mauboy

See sometimes you picture me I'm walking too far ahead You're calling to me, I can't hear what you say Then you say go slow and I fall behind The second hand unwinds

If you're lost, you can look and you will find me Time after time If you fall, I will catch you, I'll be waiting Time after time

If you're lost, you can look and you will find me, yeah Time after time If you fall, I will catch you, I will be waiting Time after time

After time, after time, after time After time, after time, after time

After my picture fades and darkness has turned to gray Watching through windows, you're wondering if I'm okay Secrets stolen from deep inside The drum beats out of time

If you're lost you can look and you will find me Time after time If you fall, I will catch you, I'll be waiting Time after time

If you're lost, you can look and you will find me, yeah Time after time If you fall, I will catch you, I will be waiting Time after time

Time after time, after time After time, after time, after time

Then you say go slow, I fall behind The second hand unwinds

If you're lost, you can look and you will find me Time after time If you fall, I will catch you, I'll be waiting Time after time

If you're lost, you can look and you will find me, yeah Time after time If you fall, I will catch you, I will be waiting Time after time

Time after time Time after time, after time After time, after time, after time After time, after time, after time After time, after time
