

# What Are You Waiting For

Jessica Mauboy

I had enough  
Boy you getting right under my skin  
When I pull you close you back up  
Don't know why you ain't letting me in  
Should I stay should I not tell you just what I got  
But I know you feel the same  
Want you near want you close  
I'm still standing alone you keep pushing me away  
But I still try

I try try try but I can't get you next to me  
I don't wanna wait no more  
Every time time time you act like you playing me boy  
So tell me baby  
What are you waiting for (3x)  
Just give me your love  
What are you waiting for (3x)  
Just give me your love

Why you standing hanging around  
Think you know what I want you to do  
Turn it up get on it right now  
Cause time is counting down for you  
Should I stay should I not tell you just what I got  
Can't you see what you understand  
Want you near want you close  
I'm still waiting for you and I know you feel the same

I try try try but I can't get you next to me  
I don't wanna wait no more  
Every time time time you act like you playing me boy  
So tell me baby  
What are you waiting for (3x)  
Just give me your love  
What are you waiting for (3x)  
Just give me your love

I try I try uh uh  
I try I I try I try uh uh  
I try I try I try yeah yeah  
I try I try I try uh uh  
I try

So both we try to play it cool  
That's okay  
Yeah we both know what's gonna happen anyway  
Get it together get your foot off the brake  
I'm not running after you not running after you

I try try try but I can't get you next to me  
I don't wanna wait no more  
Every time time time you act like you playing me boy  
So tell me baby  
What are you waiting for (3x)  
Just give me your love  
What are you waiting for (3x)  
Just give me your love

Give me your love  
What are you waiting for  
Give me your love  
What are you waiting for  
Give me your love  
What are you waiting for  
Give me your love  
What are you waiting for  
Give me your love  
What are you waiting for  
Yes what are you waiting for  
Give me your love  
Just give me your love
