

## Drive By

Jessica Sanchez

I'll be honest, I get lonely sometimes  
Just so I can hear your voice, I call your phone  
And I'd be lying, if I said I didn't go too far,  
Some nights I'm waiting in my car by your home

Oh oh, I couldn't forget you if I wanted to,  
And I know it's crazy, but baby you're always on my mind  
So I drive by, I drive by, (baby) I drive by,  
It's crazy baby, you're always on my mind

I'll be honest, really miss you sometimes,  
And I think of you every night, I can't sleep  
And I'd be lying if I said I wasn't out of hand but,  
If only you could understand what you do to me

Oh oh, I couldn't forget you if I wanted to,  
And I know it's crazy, but baby you're always on my mind  
So I drive by, I drive by, (oh) I drive by,  
It's crazy baby, you're always on my mind

Hey, I can't keep it up, I don't know how to stop,  
I can't control my love, so I drive by, drive by, drive by  
I can't let go of you, and baby I'm so confused,  
See what you make me do, I drive by, drive by, drive by

(I drive by, I drive by, I drive by...)

Crazy baby  
I'm going crazy baby  
It's crazy, baby you're always on my mind  
Couldn't forget you if I wanted to  
And I know it's crazy, but baby you're always on my mind  
So I drive by, (crazy baby) I drive by, I drive by  
It's crazy, baby you're always on my mind  
So I drive by, so I drive by, so I drive by
