

# Everybody Has A Dream

Jessica Sanchez

While in these days of quiet desperation  
As I wander through the world in which I live  
I search everywhere for some new inspiration  
But it's more than cold reality can give  
If I need a cause for celebration  
Or a comfort I can use to ease my mind  
I rely on my imagination  
And I dream of an imaginary time

Oh oh, and I know that everybody has a dream  
Everybody has a dream, everybody has a dream  
And this is my dream, my own  
Just to be at home and to be all alone with you

If I believe in all the words I'm saying  
And if a word from you can bring a better day  
Then all I have are these games that I've been playing  
To keep my hope from crumbling away  
So let me lie and let me go on sleeping  
And I will lose myself in palaces of sand  
And all the fantasies that I will be keeping  
Will make the empty hours easier, easier to stand

And I know that everybody has a dream  
Everybody has a dream, everybody has a dream  
And this is my dream, my own, just to be at home  
And to be all alone, all alone with you  
Oh, oh, with you

I know that everybody has a dream, oh oh, everybody has a dream  
I know that everybody has a dream, everybody  
(Everybody has a dream) Everybody, everybody, everybody has  
(Everybody has a dream) Everybody has a dream, I know that  
(Everybody has a dream) Everybody  
(Everybody has a dream) Everybody has a dream  
(Everybody has a dream) Everybody has a dream, everybody has  
(Everybody has a dream)
