

Nobody's Supposed To Be Here

Jessica Sanchez

I've spent all my life, on a search to find
The love who'll stay for eternity
The heaven sent to fulfill my needs
But when I turn around
Again, love has knocked me down
My heart got broken oh, it hurt so bad
I'm sad to say, love wins again
Under lock and key
To take some time, and take care of me
But I turn around and you're standing here

No, nobody, no, no, no, no, no, no, ooh!

No, no, no...
