## **The Prayer**

## Jessica Sanchez

I pray you'll be our eyes and watch us where we go. And help us to be wise in times when we don't know Let this be our prayer when we lose our way

Lead us to the place, guide us with your grace To a place where we'll be safe

I pray we'll find your light And hold it in our hearts When stars go out each night Let this be our prayer When shadows fill our day

Lead us to a place, guide us with your grace Give us faith so we'll be safe

I want pain and sorrow will ended and every heart that is broken will be mended And remember we all are gods children Reaching out to touch you Reaching out to the sky

We ask that life be kind
And watch us from above
We hope each soul will find
Another soul to love
Let this be our prayer
Just like every child

Need to find a place, guide us with your grace Give us faith so we'll be safe
