

# Angels

Jessica Simpson

I sit and wait, does an angel contemplate my fate  
And do they know the places where we go  
When we're gray and old, 'cause I've been told  
That salvation lets their wings unfold

So when I'm lyin' in my bed  
Thoughts runnin' through my head  
And I feel that love is dead  
I'm lovin' angels instead

And through it all  
He offers me protection  
A lot of love and affection  
Whether I'm right or wrong

And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call, he won't forsake me  
I'm lovin' angels instead

When I'm feeling weak  
And my pain walks down a one way street  
I look above  
And I know I'll always be blessed with love

And as the feeling grows  
He breathes flesh to my bones  
And when the love is dead  
I'm lovin' angels instead

And through it all  
He offers me protection  
A lot of love and affection  
Whether I'm right or wrong

And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call, he won't forsake me  
I'm lovin' angels instead

I'm lovin' angels instead  
Oh, oh yeah

And through it all  
He offers me protection  
A lot of love and affection  
Whether I'm right or wrong

And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call, he won't forsake me  
I'm lovin' angels instead
