

I Think I'm in Love with You

Jessica Simpson

Every time you'r near baby
I get kinda crazy in my head for you
I don't know what to do
And oh baby
I get kinda shaky when they mention you
I just lose my cool
My friends tell me
Something has come over me
And I think I know what it is

R: I think I'm in love
Boy I think that I'm in love with you
I'll be doin silly things when it comes to you
Boy I think that I'm in love with you
I've been telling all my friends what I feel for you

Just the other night baby
I saw you hangin
You were with your crew I was with mine too
You took me by surprise
When you turn and look me in my eyes
Boy you really blow my mind

I don't know what's gotten into me
But, I think I know what it is

R:

Boy I think that I'm in love with you
I've been doin silly things when it comes to you
In love, boy I think that I'm in love with you
I've been tellin all my friends what I feel for you

Something strange has come over me
Got me going out of my mind
Never met a guy like you before
You make me feel special inside

R:

Boy I think that I'm in love with you
I've been doin silly things when it comes to you
Boy I think I'm in love with you
I've been tellin all my friends what I feel for you

Boy I think that I'm in love with you
I've been doin silly things when it comes to you
Boy I think I'm in love with you
I've been tellin all my friends what I feel for you
