

## Remember That

Jessica Simpson

Remember how he told you you were stupid  
How he couldn't even look at you anymore  
Remember how he told you you were crazy  
How he got out of the car and slammed the door  
He said you cant do anything right  
Why you gotta make me so mad  
Just get outta my sight  
Remember that

R: When its 3 am and he's at your door  
And he wants you back  
And he's begging for forgiveness  
Remember that  
When your phone keeps ringing all night long  
And that same old weakness gets so strong that you're helples  
ss  
Remember that

Remember how he pushed you in the hallway  
Just enough to hurt a little bit  
Remember the whiskey in his whispers  
And the lies that fell so easy from his lips  
He said he'll never do it again  
You can't take it back  
The proof is on your skin  
Remember that

R:

It doesn't matter how he hurts  
You with his hands or with his words  
You don't deserve it  
It ain't worth it  
Take your heart and run

R:

Remember that  
Oh remember that

Remember you're gonna be all right take it from me i've stood T  
here in your shoes
