

# Sweetest Sin

Jessica Simpson

Can you imagine us making love  
The way it would feel the first time that we touch  
Can you think of it the way I dream of it  
I want you to see it like I'm seeing it  
It's a picture of perfection  
The vision of you and I

Your lips upon my lips  
(can you just picture this)  
Your fingertips on my fingertips  
Your skin upon my skin  
Would be the sweetest sin  
That would be the sweetest sin, yeah

All night i lie awake  
Cuz' it's too much to take  
Dreaming about the love that we could make  
All day I think of schemes  
To get you next to me  
I want you so bad that i can barley breathe  
It's a sign of my obsession  
That I can't stop thinking 'bout

Your lips upon my lips  
(Can you envision it)  
Temptation I could never resist  
Your skin upon my skin  
Would be the sweetest sin, yeah

It would feel so good  
To be so bad  
You don't know how bad  
I want that  
I would do anything  
To feel

Your lips upon my lips  
(can you just picture this)  
Your fingertips on my fingertips.  
Your skin upon my skin  
Would be the sweetest sin, yeah

Your lips upon my lips  
(can you envision it)  
Your fingertips on my fingertips  
Your skin upon my skin  
Would be the sweetest sin, yeah
