Well officer I don't mind to say you do
Now your looking right where I thought you'd be looking
Legs come handy when laws in front of you

These boots are made for walkin
And that's just what they'll do
One of these days these boots are gonna walk all over you

You believe you've stopped me for a reason (uh)
Now I'm pretending my bendings just for fun
You keep playing where I got you playing (yeah)
These double 'D' initials work to run

One of these days these boots are gonna walk all over you

I'm the girl with the good boys who don't mean you no harm
