

You Don't Have to Let Go

Jessica Simpson

I don't need your strength anymore
cause you've made me strong
You may not see the woman in me
That you dreamed of
Holding me in your arms

All the days that you gave
All the moments you've saved me,
Praying for my life
Sacrificed, just to make me who I am on my own
You don't have to let go

You don't say it
But it's in your eyes
All the fears of good-bye
But I can promise
You'll always have a place, and a way to my heart

All the days that you gave
All the moments you've saved me,
Praying for my life
Sacrificed, just to make me who I am on my own
You don't have to let go

I can live
Cause you lived for me
And I can love
Because you loved me.

All the days that you gave
All the moments you've saved me,
Praying for my life
Sacrificed, just to make me who I am on my own
You don't have to let go

(Ooh ooh ooh)
You don't have to let go
