

## Your Faith in Me

Jessica Simpson

When I see you there I'm so aware  
Of how lucky I am baby  
Cause I don't deserve I don't come close  
To understanding baby  
The logic of your kind of trust  
It amazes me  
That someone like you would care enough  
To just believe

R: Your faith in me  
It pulls me through  
When there's nothing around  
To hold on to  
When I fall, when I'm weak  
All the strength that I need is your faith baby  
Your faith in me

Even when I fall I get along  
Cause our love is real baby  
It's like salvation to my soul  
Cause that's how it feels baby  
It's a sacred thing that I keep close  
To carry on  
And I know that I will be alright  
And you'll heal it all

R:

You make me feel I could walk on water  
And nothing comes against me  
Safe within your arms

R:

All I need is your faith in me  
Ohh All I need is you faith in me.....  
Ohh Yeah yeah  
All I need, All I need baby  
Is your faith  
Your faith in me
